WHAT IS THE INTERNATIONAL ENTREPRENEURSHIP AUTUMN SCHOOL (IEAS)?

With ever increasing research and PhD theses in the area of entrepreneurship and innovation, the main aim of the 2013 IEAS is to explore the cutting edge research areas and practices to advance the field of entrepreneurship, geared towards doctoral students and young researchers.

THEMES of 2013 IEAS:

- Historical foundations of entrepreneurship research
 - Qualitative methods in entrepreneurship
- New frontiers in entrepreneurship research: online entrepreneurship
 - The future of entrepreneurship research

2013 IEAS SPEAKERS:

- **Hans Landstrom** (Lund University / Sweden)
- **Charlie Karlsson** (Jönköping International Business School / Sweden))
- **Anna Morgan - Thomas** (University of Glasgow / Scotland)
- **John Parm Ulhoi** (Aarhus University / Denmark)
- **Soumodip Sarkar** (Universidade de Évora / Portugal)
