INVITATION

The Master in Conservation Biology, Dept. of Biology, School of Sciences and Technology and ICAAM are pleased to invite you to THE CONSERVATION BIOLOGY CONFERENCE 2015 (CBC15)

The main goal of the **CBC** is to endorse Conservation Biology bringing to Évora every year researchers who have been largely concerned with problems and prospects of preserving biological diversity, wildlife issues and natural history worldwide.

João E. Rabaça
(Director of the MCB, Coordinator of CBC)

REGISTRATION

There are no fees but to participate at the **CBC15** an individual registration is necessary.

Dead-line: 20th May 2015

Please fill the registration-form
online at
www.ensino.uevora.pt/mbc
