

ICAAM, Instituto de Ciências Agrárias e Ambientais Mediterrânicas da  
Universidade de Évora  
**Post-Doc researcher for the action “Use of aromatic plants essential oils in the  
conservation and food safety increase of Mediterranean diet food products”**

**20 June 2016**

A grant in ICAAM – Instituto de Ciências Agrárias e Ambientais Mediterrânicas is open within the project UID/AGR/00115/2013 under the following conditions:

**Scientific domain:** Biochemistry, Food Chemistry or related areas.

**Admission requirements:** PhD, knowledge in the fields of biochemistry, chromatography microbiology and statistical data treatments. Laboratory experience is required with work developed in the areas of biochemistry and microbiology, high sense of responsibility, high work organising capacity, team spirit, dynamism, autonomy and motivation.

**Work plan:** Among other tasks, the researcher to hire will have to:

- Perform physicochemical analyses, including chromatography;
- Perform microbiological analyses;
- Prepare sensory analyses;
- Evaluate the antimicrobial potential of essential oils;
- Perform statistical analysis.

**Legislation and regulations:** The granting of the Research Fellowship will be held through a contract between the University of Évora and the candidate according to the Research Grants Regulations of the University of Évora (Ordem de Serviço nº1/2011), Estatuto do Bolseiro de Investigação Científica (Lei nº40/2004 de 18 de agosto e Decreto-Lei nº 202/2012 de 27 de agosto) and in accordance with the rules and regulations of Advanced Training and Qualification of Human Resources of the FCT (Science and Technology Foundation).  
<http://www.fct.pt/apoios/bolsas/docs/RegulamentoBolsasFCT2015.pdf>

**Workplace:** The work will be done at Núcleo da Mitra of the University of Évora, under the supervision of Professor Miguel Nuno Geraldo Viegas dos Santos Elias.

**Duration of the Grant:** The grant will last for 5 months, eventually renewable up to the end of the project, commencing on August 2016.

**Value of monthly maintenance allowance:** The amount of the grant corresponds to € 1,495.00, according to the table of grants of values indicated by FCT in the country

(<http://alfa.fct.mctes.pt/apoios/bolsas/valores>), with payments made monthly by check or bank transfer.

**Selection methods:** The selection of candidates will be done through curricular evaluation. If necessary the best classified candidates in terms of curricular evaluation will be called for an interview.

**Jury composition:**

President: Professor Doutor Miguel Nuno Geraldo Viegas dos Santos Elias

1<sup>st</sup> Member of the Jury: Professora Doutora Ana Cristina Pinto Agulheiro Santos

2<sup>sd</sup> Member of the Jury: Professora Doutora Maria Eduarda Marques Madeira Silva Potes

1<sup>st</sup> Surrogate – Doutora Marta Sofia Serrano Valente Casimiro Ferreira Laranjo

2<sup>sd</sup> Surrogate – Professora Doutora Ana Elisa de Mendonça Rato Barroso

**Publication / notification of the results:** The final results of the evaluation will become public, through ordered list and final grade obtained which will be sent by email to all candidates. The selected candidate will be notified by email.

**Application deadline and form of submission:** The contest is open from 5 to 18 july and the selection results will be published by 20 july 2016.

Applications must be formalised, mandatorily, by attaching the following documents: Curriculum vitae, PhD and other competences certificates, other relevant documents. Applications should be sent by email to:

Professor Doutor Miguel Nuno Geraldo Viegas dos Santos Elias
