

**Unlock
your talent,
fulfil your potential...**

Apply at www.fue.es/eacampus

Become a localization tester and join one of the world's leading videogame companies!

EA wants to invest in your future by preparing you for your entry onto the job market, and give you the opportunity to join the professionals.

EA is launching the second edition of "EA Campus", a two-month intensive training programme that combines in-house training at Electronic Arts and professional skills training at Universidad Francisco de Vitoria.

- 40 places available
- Where: Madrid
- When: 1st April to 24th May 2013
- Schedule: 10:00 AM to 2:00 PM or 3:00 PM to 7:00 PM
- It is mandatory to attend training full-time on Friday (8 hours) for 4 of the 8 weeks.
- Monthly grant: €300 gross
- Diploma of Continued Training awarded by Universidad Francisco de Vitoria

**Do you enjoy working as part of a team?
Are you looking for an experience in
an international environment? If the
answer is yes and you fulfill the set
requirements, we'd like to meet you!**

- Age: over 18 years
- High-School Degree
- Languages: Fluency in English and mother tongue in one of the following:

Brazilian (Portuguese from Brazil), Czech, Danish, Dutch, French, German (from Germany or Austria), Hungarian, Italian, Mexican (Spanish from Mexico), Norwegian, Polish, Portuguese, Russian, Spanish (from Spain), Swedish.

The best candidates that successfully complete the training course could be offered a temporary position as an LT Tester.
