

**INTERNATIONAL CREDIT MOBILITY
CALL FOR APPLICATIONS
2^a Call
What is international credit mobility?**

For over 25 years, Europe has funded the Erasmus programme, which has enabled over three million European students to spend part of their studies in another higher education institution (HEI) in Europe. Erasmus+ continues these opportunities, allowing for mobility to other continents (between the so-called "Programme" and "Partner Countries").

Erasmus+ now offers opportunities for students to study or train and staff to teach or train in HEIs beyond Europe. It also makes the same opportunities available for staff and students from countries beyond Europe to come to participating HEIs in Europe. This is known as International Credit Mobility and is an activity under Key Action 1 Mobility.
