A call for tenders is open for one Research Initiation Scholarship within the scope of the project CIMA, 2020-2023 Multiannual Financing, Ref. **UIDP/04674/2020**, financed by national funds through FCT/MCTES a, under the following conditions:

Scientific area: Mathematics; Differential Equations

Admission requirements: 1st Cycle Students and Academic experience in Mathematics.

According to FCT Research Grants Regulation No. 950/2019 of December 16, 2019, article 5, - **BII** (Initiation to Research Grants) cannot be awarded to those who have already benefited from research grants directly or indirectly funded by FCT, awarded under the Research Fellowship Statute.

Work plan: This project intends to study the classical and recent compartmental models involving an analytical study, a numerical component and a computational part in the study of population dynamics in epidemiological situations.

Tasks:

1. SIR and SIRS models
 - a. The Description of models
 - b. Analytical study of systems
 - c. Graphic representation
2. Model for COVID-19
 - a. Model description
 - b. Calculation of the transferability index
 - c. Graphic representation

3. Model a concrete case and calculate the coefficients
4. Final report writing and seminar presentation

Applicable legislation and regulations: The granting of the Research Scholarship will be carried out upon the signing of a contract between the University of Évora and the scholarship holder, as set in the template https://www.fct.pt/apoios/Minuta_Contrato_Bolsa.docx, pursuant to the Research Scholarship Statute (Law No. 40/2004 of August 18 and Decree-Law No. 123/2019 of August 28) and in accordance with the legislation and Regulation of Research Grants of the Foundation for Science and Technology, IP in force, regulation nº950/2019 of December 16, 2019: <https://www.fct.pt/apoios/bolsas/regulamento.phtml.pt> and other applicable rules.

Place of work: The work will be developed at research unit CIMA of the University of Évora, under the scientific guidance of the Prof. Doctor Feliz Minhós.

Duration of the scholarship: The scholarship will have a duration of 3 months, starting on January of 2022. The scholarship contract may be renewed until the end of the funding project's budget allocation.

Members: Vladimir Bushenkov (CIMA-UEVORA); Fernando Carapau (CIMA-UEVORA);
Substitutes: Clara Grácio (CIMA-UEVORA); Paulo Correia (CIMA-UEVORA).

Advertising/notification of results: The final results of the evaluation will be publicized, through an ordered list alphabetically posted in a visible and public place of Mathematics Department of University of Évora, being the candidate approved notified by email.

To ensure the right of prior hearing of interested parties, the Final Classification project will be announced by any written means to all interested parties.

After communicating the provisional list of the results of the evaluation, candidates have a period of 10 working days to express their opinion in a preliminary hearing of interested parties.

Application deadline and submission of applications: The tender is open from 28 October of 2021 to 30 november of 2021 and the results of the selection will be published by 10 december.

Applications must be formalized, obligatorily, by sending an application letter with the following documents:

- Curriculum vitae
- Certificate of Qualifications
- Letter of interest
- Letter of recommendation

For the purposes of application, the evidence may be replaced by a declaration of honor signed by the candidate, but the failure to demonstrate that evidence, in the contracting phase, possession of the required degree on the deadline for application or the non-presentation of proof of enrollment in the study cycle or non-degree course, for scholarships with this component, imply the cancellation of the candidate's application.

Academic degrees obtained in foreign countries require registration by a Portuguese Institution in accordance with Decree-Law no. 66/2018, of August 16 and Ordinance No. 33/2019, of January 25th.

The presentation of the certificate is mandatory for the signing of the contract. More information can be obtained at: <https://www.dges.gov.pt/pt/pagina/recognition?plid=374>
