

RENEWABLE ENERGIES CHAIR

RESEARCH SCHOLARSHIP FOR MASTER DEGREE – 1 POSITION

16 of February, 2022

A call for tenders is open for 1 Scholarship for **Master degree**, within the scope of the project **SolarTech** - Transferência de Tecnologia e Conhecimento em Energia Solar e Armazenamento de Energia, Ref. ALT20-03-0246-FEDER-000053, co-funded by national funds through Programa Operacional Regional do Alentejo, ALT2020, and by the Fundo Europeu de Desenvolvimento Regional (FEDER), under the following conditions:

Scientific area: Communication Sciences.

Admission requirements:

- Master’s degree in Communication Sciences, Journalism and Communication or similar;
- Preference for candidates holding a Master’s degree in the aforementioned fields;
- Frequency of a cycle of studies leading to the attribution of a degree, an eliminatory factor;
- Preference for experience in communication and dissemination activities in science, definition and execution of communication plans, journalism, photography, content production for websites and social networks

As set forth FCT Research Scholarship Regulation No. 950/2019 of December 16, 2019, article 3 and 6, candidates for “BI” must comply as a rule condition for the award of the scholarship, the effective inclusion in study cycles leading to the attribution of academic degrees or in courses not leading to an academic degree. Courses that do not confer an academic degree correspond to the courses provided for in subparagraph e) of paragraph 3 of article 4 of Decree-Law No. 74/2006 of 24 March and must be developed in a higher education institution in association with at least one R&D unit, including a course plan in one or several research areas of the unit.

Work plan:

The work plan foreseen for the Scholarship is related to the activities of the SolarTech project in the scope of the technological demonstration of solar industrial process heat includes:

- Creation and execution of a communication plan;
- Production of news and press releases;
- Dissemination and communication activities;
- Dissemination of ongoing activities, its lines and working groups to the community (local, regional, national and international) and the media;

- Organization of workshops and support in their implementation;
- Responsible for coordinating with web design providers and supporting the creation of dissemination digital content;
- Support in carrying out reports and project contents.

Applicable legislation and regulations: The granting of the Research Scholarship will be carried out upon the signing of a contract between the University of Évora and the scholarship holder, as set in the template https://www.fct.pt/apoios/Minuta_Contrato_Bolsa.docx, pursuant to the Research Scholarship Statute (Law No. 40/2004 of August 18 and Decree-Law No. 123/2019 of August 28) and in accordance with the legislation and Regulation of Research Grants of the Foundation for Science and Technology, IP in force, regulation n°950/2019 of December 16, 2019 in <https://www.fct.pt/apoios/bolsas/regulamento.phtml.pt> and other applicable rules.

Place of work: The work will be developed at the Renewable Energies Chair of the University of Évora, under the scientific guidance of Doctor Pedro Horta, at the facilities of the Renewable Energies Chair at Polo da Mitra - University of Évora.

Duration of the scholarship: The scholarship will last for a starting period of 6 months, starting in March 2022. The scholarship contract may be renewed until the end of the financing project's budget allocation.

Amount of monthly maintenance allowance: The amount of the scholarship corresponds to 1144,64€ according to the table of scholarships awarded directly by FCT, I.P. in Portugal (<http://fct.pt/apoios/bolsas/valores>), payments being made monthly, by check or bank transfer.

Selection methods: The selection methods to be used will be the following:

Academic Qualifications: 45%

Classification: 50%

Adequacy: 50%

Curriculum Analysis: 45%

Scientific Activity: 50%

Experience in requested topics: 50%

Interview: 10%

Motivation: 50%

Projects: 50%

Composition of the Selection Jury:

Presidente: Afonso Cavaco (Investigador - Cátedra Energias Renováveis - Universidade de Évora)

1º Vogal – Diogo Canavarró (Investigador Auxiliar - Cátedra Energias Renováveis - Universidade de Évora)

2º Vogal – Luís Fialho (Investigador Auxiliar - Cátedra Energias Renováveis - Universidade de Évora)

1º Suplente – Radia Ait El Cadi (Investigadora - Cátedra Energias Renováveis - Universidade de Évora)

2º Suplente – Pedro Horta (Titular - Cátedra Energias Renováveis – Universidade de Évora)

Advertising/notification of results: The final results of the evaluation will be publicized, through a list sorted by final grade posted in a visible and public place at the University of Évora (Renewable Energies Chair, Polo da Mitra), and the selected candidate will be notified by email.

To ensure the right of prior hearing of interested parties, the Final Classification project will be announced by any written means to all interested parties.

After communicating the provisional list of the results of the evaluation, candidates have a period of 10 working days to express their opinion in a preliminary hearing of interested parties.

Application deadline and submission of applications: The tender is open from February 16 to March 18, 2022 and the results of the selection will be published by March 21, 2022. Applications must be formalized, obligatorily, by sending an application letter with the following documents: **Curriculum Vitae, certificate of academic qualifications and other supporting documents considered relevant.**

For the purposes of application, the evidence may be replaced by a declaration of honor signed by the candidate, but the failure to demonstrate that evidence, in the contracting phase, possession of the required degree on the deadline for application or the non-presentation of proof of enrolment in the study cycle or non-degree course, for scholarships with this component, imply the cancellation of the candidate's application.

Academic degrees obtained in foreign countries require registration by a Portuguese Institution in accordance with Decree-Law no. 66/2018, of August 16 and Ordinance No. 33/2019, of January 25th. The presentation of the certificate is mandatory for the signing of the contract. More information can be obtained at: <https://www.dges.gov.pt/pt/pagina/reconhecimento?plid=374>

Applications must be sent by email to:

Doutor Afonso Cavaco

Renewable Energies Chair of the University of Évora
