<https://files.diariodarepublica.pt/2s/2019/12/241000000/0009100105.pdf> and other applicable rules.

Workplace: The work will be carried out at the Comprehensive Health Research Centre of the University of Évora, under the scientific guidance of Professors José Marmeleira, José Saias, and Célia Figueiredo.

Duration of the scholarship: The grant will have a duration of 5 months, with expected start in April 2024.

Monthly maintenance allowance: The grant amount is € 601.12, according to the table of values for scholarship awarded directly by FCT, I.P. in Portugal (https://www.fct.pt/wp-content/uploads/2024/02/Tabela-de-Valores-SMM_atualizacao-2024.pdf), with payments made monthly by check or bank transfer.

Selection methods: The selection methods to be used will be as follows: curriculum evaluation, weighted at 50%; interview, weighted at 50%.

Composition of the Selection Jury:

President - Professor José Marmeleira,
1st effective member - Professor José Saias,
2nd effective member - Professor Célia Figueiredo,
1st alternate member - Professor Daniela Schmidt,
2nd alternate member - Professor José Parraça.

Publication/notification of results: The final evaluation results will be publicized through a list ordered by the final score posted in a visible and public place at the Comprehensive Health Research Centre of the University of Évora, and the approved candidate will be notified by email. To ensure the right of prior hearing of interested parties, the Final Classification project will be announced by any written means to all interested parties.

After communicating the provisional list of the results of the evaluation, candidates have a period of 10 working days to express their opinion in a preliminary hearing of interested parties.

Application deadline and submission method: The tender is open from February 19 to March 04, 2024, and the selection results will be published by March 15, 2024.

Applications must be formalized, mandatory, through the submission of a cover letter accompanied by the following documents: proof of enrollment/attendance in the bachelor's degree program in computing; Curriculum Vitae; proof of grades for completed courses, and other relevant supporting documents.

For the purposes of application, the evidence may be replaced by a declaration of honor signed by the candidate, but the failure to demonstrate that evidence, in the contracting phase,
