CIMA/BD1/2024 - PhD Scholarship - 4 vacancies

10 of September of 2024

A call for tenders is open for four (4) Doctoral Scholarships, Ref^a CIMA/BD1/2024 (2) and Ref^a CIMA/BD2/2024 (2), within the scope of the Center for Research in Mathematics and Applications (CIMA) Pluriannual Financing project 2020-2023 with reference **UIDP/04674/2020**, financed by national funds through FCT/MCTES, under the following conditions:

Scientific area: Mathematics

Admission requirements:

CIMA/BD1/2024 - Students enrolled in the Doctoral Program in Mathematics at the University of Évora, for the first time in the academic year 2024/2025.

CIMA/BD2/2024 – Students enrolled in the Doctoral Program in Mathematics at the University of Évora, not first year, in the academic year 2024/2025.

According to the FCT Research Scholarship Regulation No. 950/2019 of December 16, 2019, article 3 and 6, candidates for BI (Research scholarship for students enrolled in a doctorate) must fulfil, as a condition for granting the scholarship, effective inclusion in the Doctoral Program in Mathematics from the University of Évora.

Work plan:

Research in the area of Mathematics, integrated into the plan of ongoing research activities at the CIMA.

Applicable legislation and regulations: The granting of the Research Scholarship will be carried out upon the signing of a contract between the University of Évora and the scholarship holder, according to the version in **Annex I**, pursuant to the Research Scholarship Statute (Law no. 40/2004 of August 18, as amended) and considering the provisions of other applicable legislation and regulations, namely, the Research Grant Regulations of the University of Évora (published by Order no. 8131/2024, of July 22, 2024), and the Research Grant Regulations of the Science and Technology Foundation, I.P. (Regulation no. 950/2019, of July 22, 2024). ^o 8131/2024, of July 22, 2024), <https://files.diariodarepublica.pt/2s/2024/07/140000000/0035300366.pdf> and in the Research Grants Regulations of the Foundation for Science and Technology, I.P. (Regulation no. 950/2019, of December 16, as amended).

Place of work: The work will be developed at the CIMA Research Unit at the University of Évora, under the general coordination of the Administrator of the University of Évora and under the scientific

guidance of CIMA Researchers, who must draw up an opinion on the final activity report of the scholarship (**Annex II**), according to the draft in **Annex III**.

Duration of the scholarship: The scholarship will last 6 months, starting in November 2024. The scholarship contract may be renewed until the end of the budget allocation for the financing project.

Amount of monthly maintenance allowance: The amount of the scholarship corresponds to €1259.64, according to the table of scholarships awarded directly by FCT, I.P. in Portugal (https://www.fct.pt/wp-content/uploads/2024/02/Tabela-de-Valores-SMM_atualizacao-2024.pdf), payments being made monthly, by check or bank transfer.

Selection methods: The methods to be used in the selection of applications will be the following:
Curricular assessment - 40%
Motivation letter rating - 40%
Academic experience in the area of Mathematics – 20%.

Composition of the Selection Jury:

President: Carlos Correia Ramos (CIMA-ÉVORA)

1st Member: Luís Miguel Zorro Bandeira (CIMA-ÉVORA)

2nd Member: Luís Miguel Lindinho da Cunha Mendes Grilo (CIMA-ÉVORA)

Alternate members

Feliz Minhós (CIMA-ÉVORA)

Vladimir Bushenkov (CIMA-ÉVORA).

Advertising/notification of results: The final results of the evaluation will be publicized, through an ordered list alphabetically, posted in a visible and public place of the Mathematics Department, being the candidate's approval notified through email.

To ensure the right of prior hearing of interested parties, the Final Classification project will be announced by any written means to all interested parties.

After communicating the provisional list of the results of the evaluation, candidates have a period of 10 working days to express their opinion in a preliminary hearing of interested parties. Based on the final ranking list, a reserve selection list will be drawn up, to be used for the possible recruitment of new scholarship holders within the scope of this project, up to the duration of the scholarship, which may be used in the eventuality of the first ranked candidate withdrawing, failing to present the mandatory documentation, or in the event of the scholarship holder canceling their scholarship early. In the eventuality that none of the candidates demonstrates the profile required to carry out the work plan, the jury reserves the right not to award the scholarship.

Application deadline and submission of applications: The tender is open from 4th of October to 28th of October 2024 and the results of the selection will be published by 11th of November 2024.

Applications must be formalized by sending an application letter accompanied by the following documents:
