Abertura do Mestrado
Arqueologia e Ambiente (Erasmus Mundus-ARCHMAT)
Ano Letivo 2014/2015

1. O Curso é promovido por:

Universidade de Évora - Escola de Ciências Sociais
IIFA
Laboratório HERCULES
Università degli Studi di Roma La Sapienza
Aristotle University of Thessaloniki

2. Curso em associação:

- a. **Tipo de Consórcio:** Internacional
- b. **Acreditado como ERASMUS MUNDUS:** Sim
- c. **Tipo de Associação:** Diploma no âmbito de Mestrados Internacionais

- d. **Tipo de Protocolo:** Gestão administrativo-financeira da responsabilidade da instituição coordenadora
- e. **Instituição coordenadora:** Universidade de Évora
- f. **Instituições parceiras:**
 - (a) Universidade de Évora
 - (b) Università degli Studi di Roma La Sapienza
 - (c) Aristotle University of Thessaloniki
- g. **Diretor/Comissão de Curso em associação:** Dr. Nick Schiavon -UE - schiavon@uevora.pt (Course Director)
 Prof. Evangelia Varella - AUTH - varella@chem.auth.gr (Course Committee)
 Prof. Giovanni Ettore Gigante - UNIROMA1 - giovanni.gigante@uniroma1.it (Course Committee)

3. Curso ERASMUS MUNDUS:

- a. **Organização do curso:** 1st Semester Universidade de Evora (UE)
 2nd Semester Aristotle University of Thessaloniki (AUTH-GR)
 3rd Semester Università Roma La Sapienza (UNIROMA1-IT)
 4th Semester UE and/or AUTH and/or UNIROMA1 according to selected Thesis Project at the end of the first year
- b. **Local de candidaturas e prazos:** For EU scholarship applications: online on the APPLICATION section at www.erasmusmundus.uevora.pt; deadline 31st January 2014.
 For non-EU scholarship/self-paying applications: all documents listed in the HOW TO APPLY section on www.erasmusmundus.uevora.pt to be sent to archmat@uevora.pt; deadline 15th of september 2014
- c. **Prazos de matrícula dos alunos ERASMUS MUNDUS na UE:** 29/09/2014
- d. **Bolsa ERASMUS a ser transferida para a UE:** Sim
- e. **Valor de propina a pagar na UE:** 2280.00 € (a imputar à bolsa) (paga pelo aluno)
- f. **Tipo de Diploma:** After the completion of the 90 ECTS (3 semesters) and 30 ECTS of the Master thesis, a Joint EM Master degree will be awarded by the three full partners (UE-AUTH-UNIROMA1) together with a Joint Diploma supplement signed by all ARCHMAT partners, full and associated. A The Diploma Supplement will describe the nature, level, context, content and status of the studies; an overview of the curriculum that were pursued and successfully completed by the individual named on the original qualification to the diploma supplement will be appended together with info regarding the Portuguese, Italian and Greek higher education systems

Universidade de Evora: the ARCHMAT joint degree will correspond to the curriculum "Ciencia dos Materiais Arqueologicos" within the "Mestrado em Arqueologia e Ambiente"

Aristotle University of Thessaloniki: the ARCHMAT joint degree will correspond to a curriculum in "Archaeological Materials Sciences" within the Master course in Physicochemical Methods for the Diagnosis of Corruption in Monuments and Artefacts of Cultural Interest"

Sapienza Università Roma: the ARCHMAT joint degree will correspond to a curriculum in "Scienza dei Materiali Archeologici" within the "Laurea Magistrale in Scienze e tecnologie per la Conservazione e il Restauro"

4. Diretor de curso:

Nicola Schiavon (schiavon@uevora.pt)

5. Objetivos do curso:

The objective of the ARCHMAT course is to impart to students the specific knowledge, skills required in the Archaeometry research field in a way to enable them to conduct scientific work, to critically assess and integrate scientific findings and knowledge and to independently manage an archaeological project from all aspects, i.e. archaeological, scientific and conservation ones.

It aims in particular to form highly specialized experts able to understand and apply the correct analytical scientific methodologies for the study and conservation of archaeological materials of different nature and belonging to different periods and/or cultures in European and Mediterranean History.

6. Áreas de especialização:

- Ciências dos Materiais Arqueológicos (Erasmus Mundus - ARCHMAT) (**disponível**)

7. Saídas Profissionais:

CAREER OPPORTUNITIES/ACADEMIA

The ARCHMAT Master Diploma holder will be fully qualified and in the ideal position to successfully embark in doctorate courses in Archaeometry and/or Science applied to Conservation/Cultural Heritage research fields either at ARCHMAT partner Institutions or elsewhere

CAREER OPPORTUNITIES/PROFESSIONAL SECTOR

The ARCHMAT Master Diploma holder should find himself in a privileged position to apply for job opportunities in the private sector (Restoration SMEs, private profession) and/or Scientific Laboratories of Museums, or other Governmental Institutions (Ministry of Culture, Regional and National local authorities) but also at several International Organizations devoted to the Protection of Cultural Heritage objects and sites such as ICCROM and UNESCO. Last but not least, the participation as associate partners of non academic Institutions with high level national/international reputation in ARCHMAT and with strong contacts/affiliations with Governmental agencies and Industry such as the Instituto dos Museus e da Conservação (IMC) in Lisbon, the Instituto de Ciencia de Materiales de Aragon (ICMA) in Zaragoza, the Scientific Laboratory of the Musei Vaticani (MV) in the Vatican State, the Museum of Aiani (MA) in Greece will prove extremely useful to ARCHMAT students in their post-Master search for job opportunities worldwide

8. Condições de Acesso:

- Condições específicas de acesso a este curso:** As the deadline to apply for EU-funded scholarships to attend the 2014-2016 ARCHMAT Master programme already expired on the 31st of January 2014, applications are now open only for non EU scholarship holders/self-paying students with the deadline for the submission of the necessary documents to archmat@uevora.pt : 15th of september 2014

9. Propina do Curso: 4560.00 €

10. Organização/duração:

- Duração do mestrado:** 4 semestres
- Nº ECTS para obtenção do grau:** 120
- Nº ECTS para obtenção do curso de mestrado (conclusão da parte curricular):** 90

11. Funcionamento das sessões letivas do curso: Diurno

MON-TUE-WED-THU-FRI

12. Documentos necessários para a candidatura:

Candidates have to upload all of the following documents during the different stages of the application procedure

- Proof of nationality (passport copy with photo)
- Scanned (translated) copy of the University diploma required for the enrolment in the ARCHMAT (Bachelor/I cycle degree in Physics, Earth Sciences, Chemistry, Biology-Biochemistry, Archaeology, Conservation Science, Cultural Heritage Studies or related studies)
- Scanned (translated) Copy of transcript of study results
- Curriculum vitae and Studiorum (EUROPASS format)
- Motivation letter (maximum 1 A4 page)
- Letter of recommendation by two academic referees - Scanned copy of TOEFL Language Proficiency Certificate 87 [iBT] or of IELTS Certificate (minimum overall band score =6) or Cambridge Certificate or proof of at least 1 year English-based instruction at University level

13. Data de início do curso: até 29/09/2014

14. Observações:

Due to the practical nature of the course, Curricular activities may involve field work at weekends

1 de fevereiro de 2016
