3. Program description:

The Master in Artistic Practices in Visual Arts is focused on the study of the issues raised by contemporary thought about art and artistic practice. The research is centred on the creative exploration of present theoretical, conceptual, technological and practical tools for artistic creation. The training results both from the study of art theory, criticism and history and the learning of practical skills for the creation, elaboration and development of projects. The student develops skills through: theoretical disciplines that prepare and frame the artistic praxis; theoretical-practical disciplines, which combine artistic practice and the exemplification and discussion of theoretical themes that are behind artistic practice, and; disciplines of laboratory practice aimed at the exercise of techniques and technologies, empowering the student in the use of fundamental tools to artistic practices. The information provided and the strategy of the tutorials are directed to the particular interests of the students, enhancing the formal experimentation and iconographic creation that belongs to the territory of contemporary art.

8. General conditions of access and admission:

i Legal conditions for access to the cycle of studies leading to the master degree

The following individuals can apply for a cycle of studies leading to the master degree:

- holders of a Portuguese Licenciado degree or legal equivalent;
- holders of a foreign higher education undergraduate degree, which is recognized as satisfying the objectives of the degree of Licenciado by the competent scientific committee of the higher education institution where they wish to be admitted;
- holders of an academic, scientific or professional curriculum which is recognized as attesting the ability to carry out this cycle of studies by the competent scientific committee of the higher education institution where they wish to be admitted.

ii Conditions of access to the cycle of studies at the University of Evora

On the application date, the undergraduate students must satisfy conditions that guarantee the conclusion of their undergraduate degree until the 30th of October of the admission year. The admission and enrollment of these students is conditioned on the conclusion of the degree until this date, and the enrollment is canceled if the student does not complete the degree within that period.

During the first application phase, students who have a maximum of 6 curricular units or 36 ECTS missing for conclusion of their degree can apply for the 2nd cycle; in the 2nd application phase students can apply if they have at most 3 curricular units missing and in the 3rd application phase if they have at most one curricular unit missing.

The previous condition does not apply to students with a curriculum that reveals professional or scientific experience, which can be recognized by the competent scientific body, as attesting the student's ability to carry out the master's degree/post-graduation, provided that the student required that recognition in the application process.
