3. Program description:

This cycle of studies reflects a 2nd cycle course due to the evolution and consolidation of the research area in Administration and Educational Management, which has been developed in the Dep. Of Education and Education, Univ. From Évora since 1995. Based on its own highly qualified faculty, the Master Course in EC-Administration, Regulation and Educational Policies presents the most innovative national and international level. This Master's Degree provides personal and professional training, based on a repertoire of knowledge and technical skills, which aims to provide future teachers with reflective skills capable of leading the process of effective and progressive improvement of educational institutions. It aims to foster transformational leadership skills and organizational culture development that can be used as an instrument of governance. It also allows for the exercise of the position of School Director and enables the performance of intermediate and top management positions in schools and other educational bodies: municipalities, state bodies, private institutions, non-governmental organizations, etc. It also offers the possibility of continuing the research in the Doctorate in Educational Sciences, also the Department of Pedagogy and Education, University of Évora.

4. Career opportunities:

Higher Technical Career in the Ministry of Education and in the Ministry of Science, Technology and Higher Education and in the Autarchic Administration. - Local Development Organizations and OGNs.
- The course benefits from automatic recognition for the purpose of the career progression of the Educators Primary and Secondary School Teachers, in accordance with the provisions of the Ordinance N° 334/2008, of April 30, article 9 and foreseen in article 54 of the Statute of the Teaching Career.

ACEF/2021/1500255

7. Program Creation Norm:

Diário da República n.º 87 de 5 de maio de 2016, Aviso n.º 5820/2016

8. General conditions of access and admission:

i Legal conditions for access to the cycle of studies leading to the master degree

The following individuals can apply for a cycle of studies leading to the master degree:

- holders of a Portuguese Licenciado degree or legal equivalent;
- holders of a foreign higher education undergraduate degree, which is recognized as satisfying the objectives of the degree of Licenciado by the competent scientific committee of the higher education institution where they wish to be admitted;
- holders of an academic, scientific or professional curriculum which is recognized as attesting the ability to carry out this cycle of studies by the competent scientific committee of the higher education institution where they wish to be admitted.

ii Conditions of access to the cycle of studies at the University of Evora

On the application date, the undergraduate students must satisfy conditions that guarantee the conclusion of their undergraduate degree until the 30th of October of the admission year. The admission and enrollment of these students is conditioned on the conclusion of the degree until this date, and the enrollment is canceled if the student does not complete the degree within that period.

During the first application phase, students who have a maximum of 6 curricular units or 36 ECTS missing for conclusion of their degree can apply for the 2nd cycle; in the 2nd application phase students can apply if they have at most 3 curricular units missing and in the 3rd application phase if they have at most one curricular unit missing.

The previous condition does not apply to students with a curriculum that reveals professional or scientific experience, which can be recognized by the competent scientific body, as attesting the student's ability to carry out the master's degree/post-graduation, provided that the student required that recognition in the application process.

9. Selection Process:

- Academic qualifications: 50%
 - Area of qualifications: 35%
 - Level of qualifications: 45%
 - Average grade in the highest qualification: 20%
