3. Program description:

The Preparatory Course for Admission to Higher Education is a preparatory course aimed at consolidating the pre-university knowledge, in order to prepare the student for access to higher education. With a duration of 1 academic year, it allows the acquisition of linguistic and disciplinary knowledge necessary for admission to undergraduate courses in different areas at any Portuguese University. This course, designed and built to cover a wide range of areas, allows the candidate to choose the specific course units to be attended, in order to take the entrance examinations for the course he/she wishes to apply to. It consists of 8 curricular units, 4 of them compulsory, whose goals to be achieved coincide with the Program and Curricular Goals defined by IAVE, from which two optional curricular are chosen by the student according to the program they intend to enrol in.

For those not enrolled in the course, it is permitted to enrol in course units, either as isolated curricular units (for external students) or as extracurricular curricular units (for students enrolled in other U? courses).

4. Objetivos:

- ajudar o aluno a consolidar e reforçar os seus conhecimentos do plano curricular do Ensino Secundário e a preparar-se para os exames de admissão ao Ensino Superior; ? dar ao aluno uma cultura e conhecimento de alguns tópicos de nível superior que o coloque numa posição vantajosa para a realização das provas de acesso ao Ensino Superior; ? permitir o contacto do aluno com a comunidade universitária e científica.

5. Condições de Acesso e Ingresso

i Condições específicas de ingresso no curso

Observations regarding the selection process:

The application for this course replaces the interview with the letter of motivation, keeping the items under evaluation, for candidates without nationality from European Union countries.

Candidates without nationality from European Union countries will be graded with 80% for the weighting relative to Literary Qualifications and 20% for the letter of motivation.

Candidates with nationality from European Union countries will be graded with 100% for weighting relative to Literary Qualifications.

The ranking grid will be filled in with the necessary adjustments in order to respect this proportionality.

7. Maximum number of admissions

- Maximum number of admissions for candidates with nationality of European Union countries: 30
- Maximum number of admissions for candidates without nationality of countries of the European Union: 20
