Applications for Admission to the Post-Graduate Program in
Health Care in Emergency and Urgency
Academic year 2022/2023

1. The program is promoted by:

Universidade de Évora - Escola Superior de Enfermagem S. João de Deus

2. Course Committee:

Maria do Céu Marques (mcmарques@uevora.pt)

3. Program description:

This course has as its main purpose to train health professionals. Enable them to respond to the health care needs of increasingly demanding and challenging contexts. It is intended that students develop the conceptual, instrumental and relational skills that are indispensable to health care in urgency and emergency in medical-surgical and trauma contexts. Simulation, technology, and different learning scenarios are strategies that foster learning and consolidation of knowledge.

4. Career opportunities:

The postgraduate program will enable health professionals (doctors and nurses), to respond to the health needs of people suffering from critical health problems, with scientifically rigorous and technical skills, and to provide care appropriate to the severity of their condition.

5. Program Creation Norm:

Diário da República
